

# We Care Program Softball-a-thon

June 7-9

[www.wecareprogram.org](http://www.wecareprogram.org)

**You can help raise funds to support the ongoing prison ministry of We Care by getting sponsors for the 50+ innings of softball that you will play during the softball outreach. We are suggesting that you ask friends, businesses, and/or family members to pledge a dollar amount per inning played and use the approximate number of 50 innings. (Most likely you will play more.) Please use the information and form on the other side.**

# How this works

1. Ask your family, friends, or co-workers to sponsor you per inning.
2. Collect the funds (based on playing 50 innings) and bring them with you.
3. The player raising the most funds will get a thank-you gift.
4. We Care will mail out receipts to all sponsors who gave by check or money order for their tax-deductible donation.

**\*Note:** Sponsors can give online at [www.wecareprogram.org](http://www.wecareprogram.org) under the "Give" tab at the bottom of the page using the "Special Projects" button. Please make sure they give your name in the "comments" box.
