

A History of 2000-2010 We Care Program

The Martin Weber Endowment Fund was announced January 6, 2001. The fund, started with an initial \$25,000, was established to provide for the perpetual support of Bible teaching in prisons.

The We Care headquarters building was sold November 8, 2005, and vacated by April 1, 2006. Headquarters were moved to temporary facilities until erection of a new building was completed. Inmates from Atmore Work Center helped with the construction. Open house and dedication of the new building was held July 29, 2007.

The first annual softball tournament was held over the July 4th weekend with two "free world" teams and four Atmore area prison teams.

A third Economy Shop was opened in Flomaton, AL, on October 13, 2008. The Economy Shops provide about 20% of the We Care operating budget and employ 23 persons.
